In Appreciation

Mrs. Barbara Gleysteen

"YOUR EDUCATION HAS BEEN A FAILURE — NO MATTER HOW LEARNED YOU ARE — IF IT HAS FAILED TO OPEN YOUR HEART."

Mrs. Barbara Gleysteen, former teacher of Home Economics in the Scottdale Joint School System, completed the school term of 1958-59, and then retired to her home at 615 Walnut Avenue, to perform the duties which she has been teaching. Mrs. Gleysteen was born in Oklahoma and received her elementary and high school education in a little southern town. Her family then moved from Oklahoma to a Kansas wheat farm, only four miles from a junior college. There she furthered her education and was granted an A.A degree in 1950 from the Hesston College, Hesston, Kansas. In June of 1954, she received her B.A. from Goshen College, Indiana. She majored in Home Economics and took her minor in English. Mrs. Gleysteen spent the school term of '54 and '55 teaching at Iowa City, Iowa. In the June of 1955 matrimony changed her name from Miss Barbara Detweiler to Mrs. Gleysteen and the change of name, brought a change of location. When Mrs. Gleysteen came to Scottdale Joint High School, she did not forget to bring along her "you all" Southern hospitality. Along with teaching home economics, she was Co-Sponsor of the SCOTTIE. She devoted much of her time toward helping the staff gather material and meet their deadlines. Mrs. Gleysteen's departure will indeed be a loss to all future SCOTTIE Staffs. She shared her never forgotten smile with everyone, and has left vast wisdom, and only pleasant memories with her former students and fellow professional associates.

In Appreciation

John M. Snader

"GROW OLD WITH ME! THE BEST IS YET TO BE. I HAVE WARMED BOTH HANDS AT THE FIRE OF LIFE — AND I AM NOT AFRAID."

Mr. John M. Snader was born in Connellsville and he still resides there. He was elected to the Scottdale Joint Schools in 1946. Previous to this, he received his elementary and high school education in Connellsville. Following this, he attained his higher education at Gettysburg College, graduating with a Bachelor of Science Degree. Mr. Snader then took post graduate work at the University of Pittsburgh. He began his career in the fall of 1924 and taught for one year in Smithfield Borough. He spent twenty-one years teaching in South Connellsville Borough and since 1946 was faithful to our school. Mr. Snader has taught physical science, 12th grade level, and Spanish. He was one of the best known teachers in the high school. One of the reasons being that he was our home and school visitor. Mr. Snader was very much looked up to from all grades, but there were instances when some students would just as soon have not seen him. The warm days of spring and the opening of hunting seasons are two such occasions. When any of the students came down with headaches, toothaches, or the other ailments that only students get, Mr. Snader always tried to be present to say a comforting word, or lend a helping hand. His great knowledge, dependability and loyalty, he wished to bestow on his fellow students; and is known to his fellow associates as an ideal personality.

SITTING: Mr. George A. Davis, Mr. Ignatus Furlo, Mr. Horace S. Thomas, Mr. Cryus Christner, Mrs. Margaret Hill, Mr. R. M. Shimshock, Mr. Thomas Gricheck. **STANDING:** Mr. T. H. Bainbridge, Mr. Bruno Konieciak, Mr. Bert F. Zearley, Mr. Marshal Maust, Mr. John Reed, Mr. H. E. Barclay, Jr., Mr. Fred Killinger, Mr. Joseph V. Echman.

To the Class of 1960:

When you were small, how many times did someone say to you, "What did you learn in school today?"

However you may have answered that question, let me ask you now, "What have you learned in twelve years of attending school?" And, let me propose that regardless of the multitude of facts which you have stored up, none of it will profit you at all if you have not, some time, somewhere, or some how, set for yourself a goal in life.

Success comes from achieving the thing you set out to do, and there can be no success without having a goal. No power on earth can withstand the person who has a plan for his life and who strives steadily toward its fulfillment.

The following verses by an unknown author say so well what I would say to you that I would have you place this lesson above all others that you may have learned while in school:

Give me a man with an aim,
Whatever that aim may be,
Whether it's wealth, or whether it's fame,
It matters not to me.
Let him walk in the path of right,
And keep his aim in sight,
And work and pray in faith alway,
With his eye on the glittering height.

Give me a man whose heart
Is filled with ambition's fire;
Who sets his mark in the start,
And keeps moving it higher and higher.
Better to die in the strife,
The hands with labor rife,
Than to glide with the stream in an idle dream,
And lead a purposeless life.

Better to strive and climb
And never reach the goal,
Than to drift along with time
An aimless, worthless soul.
Aye, better to climb and fall,
Or sow, though the yield be small,
Than to throw away, day after day,
And never to strive at all.

My best wishes go with all of you.

"As you were."

The year 1960 is one that will remain fixed in your minds forever. It marks for you that all-important date in your life — graduation.

This date should be meaningful to you for many other reasons. It is the beginning of a new decade, one fraught with the complex social and economic problems of our times. This challenge you must face and you must resolve for survival in our ever-changing life's concepts.

Your school has endeavored to some degree to prepare you to face these challenging vagaries of life's cycle. How you accept and adjust to meet the situations that beset you will indicate how well you have used the educational facilities that have been available.

May God be with all of you today and every day.

"All students out of the halls, please."

How much easier our work would be if we put forth as much effort trying to improve the quality of it as most of us do trying to find excuses for not properly attending to it.

George Ballinger

The victory of success is half won when we gain the habit of work.

Sarah Bolton

You have to work. There are so many young people who do not work but no one is proud of them. Their names are unknown, no one respects them. The great world does not know they are here. So find out what you want to be and do. Take off your coat and make dust in the world.

SONG: (To the Tune of "I'll Be Seeing You")
We will think of you
And cheer for grand old Scottdale High
Classes and football games gone by,
Your colors white and blue.
The prom we had in May,
Commencement on its way,
The snake parades,
The Christmas dance, the tests and grades.
We will think of you,
In every passing year to come.
We shall face the world tomorrow.
And our hearts are filled with sorrow.
We entered you our sophomore year
And now our days are thru
We'll recall fond memories
As we will think of you.

Class Treasurer 3; Home Room Officer; Football 1,2,3; Basketball 1,3; Track 1,2,3; Letterman's Club 1,2,3; Spanish Club I 3, (President).

Ernie had the build of a star athlete. Although he was in his glory on the gridiron, he was well known for his ability in other sports. Much to the dismay of many girls, Dennie had eyes for only one. He hopes to fulfill his college ambition.

JUDITH GAAL — **Judy**

Tri-Hi-Y 2,3; G.A.A. 1; Cheering Section 1; Commercial Club 2,3; F.H.A. 1.

Though she appeared quiet, Judy loved to gab and could keep the telephone buzzing for hours. With Judy no class could beat office practice except maybe study hall. Judy plans to go job hunting.

PAUL GARNER — **Paul**

Home Room Secretary-Treasurer 3.

MARGARET GENDEK — **Margi**

Scottie Revue Staff 3; SCOTTIE Staff 3, (Circulation Manager); Tri-Hi-Y 2,3; G.A.A. 1,2,3; Cheering Section 1,2; Camera Club 1,2,3; Attendance Clerk 1; Dramatics 2,3; (Drama Council 2); Journalism Club 1; Spanish Club II 3, (Secretary); Physics Club 3, (Secretary).

Vim, vigor, and vitality all wrapped up in this attractive little package. Maggie had a hair-trigger temper, a consequence of being a victim of teasing. Where there was fun and laughter, there was Margi. As a nurse she will rate superior.

MARY LOU GOSHORN — Mary Lou

G.A.A. 3; Commercial 1.

Mary's world could have been all music and dancing if homework had not persisted in taking up a good deal of her time. Her friendly personality will aid Mary in the years after graduation.

JAMES HARDING — Maverick

A shy, but friendly fellow, Jim was found listening to music or loafing at Sam Long's with the guys from Pinetree. Jim plans to leave his present job at Woolworth's for the Navy.

JEAN HENDERSON — Jean

G.A.A. 3; Cheering Section 1; Dramatics 2,3.

"Man O Day" constantly slipped into Jean's conversation. She used her study halls as gab sessions and the telephone for talking to Rose and other pals. The future will find her employed.

KENNETH HILL — Ken

You could not have gotten him on a dance floor, but he went for swimming in a big way. Ken would not have minded if wood and metal shop were his only classes. He will seek employment after school.

KATHLEEN HOFFMAN — Kathy

Class Secretary 2; Chorus 1,2,3; Cheerleader 2,3; Cheering Section 1; Valentine Attendant 2; Gridiron Attendant 3; Student Librarian 1; Spanish Club 1 3, (Secretary).

Nancy's graduation will mean a great loss to the Scottie Band and orchestra. Aside from her primary interest, music, Nan liked skating. She will look swell in the uniform of a WAVE.

DONALD HOUGH — Homer

Attending school was not one of his favorite pastimes. Don frequently was found resting at Tom's keeping an eye on the girls. Along with several other seniors, he plans to join up with the Navy.

BARBARA JO HUFF — Barb

Student Council 2,3; Tri-Hi-Y, (Chaplain 2); Cheering Section 1; Commercial Club 1; F.H.A. 1,2,3, (Secretary 3); Dramatics 2,3.

A nicer girl than Barb would be hard to find. Her willingness to help out anywhere made her a favorite classmate. Barb loved to read but never so much that she did not have time to spend with Roy.

BETTY LOU HUNKER — Betty

Home Room Treasurer; Tri-Hi-Y 2,3; Chorus 1,2,3; Cheering Section 1; Commercial Club 1,2,3; Camera Club 1; Student Librarian 2; Dramatics 2,3.

Small, but a big package of fun that bubbled with a lively character. Betty was the stand-by of the commercial department, and she could out-talk anyone. If she was not baby-sitting at Dr. Gilbert's, she was at Cubby's. Betty is sure to be an efficient secretary.

RONALD HYATT — Yoey

Home Room Treasurer 1.

The homeroom tardy bell always seemed to ring too soon for Ron. He flew low in his jet-propelled bomb. Ron liked girls and admitted it. He hopes to be the proprietor of Ronald Hyatt, Inc.

KAREN KELLER — **Karen**

SCOTTIE Staff 3, (Art Editor), Tri-Hi-Y 2,3; Commercial Club 1,2,3, (Treasurer) 3; Camera Club 2,3.

RICHARD KILIANY — **Klank**

Chorus 3; Track 1,2; Letterman's Club 1.

One of the better artists, Klank roamed the halls during many classes. He participated in school track events and was a welcome addition to the chorus. No more school for Klank after graduation — a job is in his plan.

Tri-Hi-Y 3; Chorus 1,2,3; G.A.A. 2,3, (Secretary 3); Cheering Section 1; Commercial Club 1,2,3; Dramatics 2,3.

JEAN LIVENGOOD — Jeanie

Jean found it impossible to keep from talking. Along with Cutch, she kept the skating rink in business. The diamond on her finger says that marriage is in the near future for Jeanie.

ALBERT MARTINOSKI — **Elmo**

Elmo would never part with his radio and tools and he spent most of his time filling gas tanks at the Gulf Garage. With his buddies Oz and Tom, Elmo enjoyed discussing their common interests. A technical training school is in the future.

JAMES MASON — **Mace**

RICHARD MYAL — **Dick**

Student Council 1,2,3; Home Room Officer 1; Physics Club 3.

Muggs refused to take school seriously, trying to reserve his strength for later life. He appears calm and collected in all situations. Joining the service will take time from his favorite hobby, sleeping.

THOMAS OSTROWSKI — **Oz**

Although an intelligent student, Pinskey complained that too much homework kept her from seeing Bob. Joanie had a sense of humor a mile wide. Her graduation preceded hopes of a job and marriage.

NANCY PLETCHER **Nan**

Nancy didn't tell us all she knew. Usually Nan played cards or records at her home. Physical science was of a prominent interest but history class also rated high. Nancy never wore a frown.

PHYLLIS PODGORSKI **Phyl**

Tri-Hi-Y 3; Chorus 1,2,3; G.A.A. 3; Cheering Section 1; F.H.A. 2,3; Dramatics 2,3.

CHARLES STANEK — **Chas**

Home Room Vice President 1; Football 1,2,3; Basketball Manager 1; Track 2; Letterman's Club 2,3; Spanish Club I 3, (Treasurer).

DIANNE TURK **Dianne**

Scottie Revue Staff 2,3, (Editorial Assistant 2, Co-Editor 3); Tri-Hi-Y 2,3; Chorus 1,2,3; G.A.A. 3; Cheering Section 1,2; Camera Club 3; Attendance Clerk 1; F.H.A. 1; Dramatics 2,3; Journalism Club 1.

Fashion-conscious, fun-loving, gay — that is Dianne. Sports held her interest during the winter months and as spring drew near she looked longingly toward Lake Forest. A white cap, a pill bottle, and a thermometer are her career dreams.

SUSAN UPTEGRAFF **Susan**

Student Council 2,3, (Treasurer 3); Honor Society 2,3, (Treasurer); Scottie Revue Staff 2,3, (Editorial Assistant 2, News Editor 3); SCOTTIE Staff 2,3, (Literary Editor 2, Co-Editor 3); Tri-Hi-Y 2,3, (Historian 2, President 3); Chorus 1,2,3; G.A.A. 3; Cheering Section 1,2; Dramatics 2,3; Physics Club 3; Girls' Ensemble 3.

Everyone knew from the list of countless activities that Susan's energy was inexhaustible. Her pleasing personality made her a friend of all. Susan was the envy of many a classmate due to her high scholastic ability. As Susan graduates, our loss will be the gain of Wilson College.

MARY LOUISE WATSON **Mary Lou**

Tri-Hi-Y 2,3; G.A.A. 3; Cheering Section 1,2; Commercial Club 3; Camera Club 1,3; F.H.A. 3; Dramatics 2,3; Spanish Club II 3.

Along with Pat, Mary Lou rushes home to watch Dick Clark on TV. Her co-operative and friendly manner made her a friend of all. Mary Lou was seen but not heard at the Connellsville dances where she enjoyed herself. With hundreds of other girls she is a fan of Elvis.

Wicker, Arthur

SANDRA WATSON — Sandy

G.A.A. 1; Cheering Section 1; Camera Club 1; F.H.A. 1; Dramatics 3.

School held no attraction for Sandy. Records and popular music held her undivided attention. Her favorite pals were Shirley and Nancy. Like Sandy herself, her future is unpredictable.

ARTHUR WICKER — Jaggers

Disc Jockey Club 3; Track 1,2,3; Letterman's Club 1,2,3.

Art managed never to get to school on time. A three year trackman, he was part of the group on the Nut Shop corner. His goal in life is to invent a mechanical man to do his work so that he can sleep. If not this then, he will find employment or join the Marines.

CHARLES WILDEY — Chuck

Football 1,2,3; Basketball 1,2, (Manager 2).

Chuck was out to win. His big broad shoulders made him a star tackle. He enjoyed study halls, where he practiced his favoriet pastime — loafing. Friendly with the fellows but shy with the girls, Chuck will enter the service.

WAYNE WILSON — Willie

Wayne only spoke when he was spoken to, but he wore a bright smile all the time. His one and only thought was Janet. His future holds promise of I.B.M. School and the Navy.

ROBERT ZELLER — Bob

Track 1,2,3.

School was minor interest in Bob's crowded life. Although he made female hearts flutter, Joan was the only girl for him. He could be seen on the track field in the spring. A Navy uniform will look good on Bob.

The 1960 Scottie Seniors

Activities

Pep meetings ranked high among our many activities. As the students looked on, the band and majorettes entertained with half-time drills and the cheerleaders led in hearty yells.

Student Council

Twenty-nine industrious students make up the Student Council, which is the governing body of Scottdale Joint High School. The Student Council assists Mr. Ronco and Mr. Hollenbaugh in carrying out the responsibilities of the school. Among their activities for the various classes are, selling refreshments at pep meetings and basketball games, and sponsoring several education assemblies. Mr. Christner assumed the responsibility of sponsoring the Student Council this year. Helping him were the officers who were all members of the Senior Class.

Scottdale Chapter of National Honor Society

It is always an exciting moment when Honor Society holds its induction services in the auditorium. Not even the members know who will be selected for membership. This selection is made by the faculty and the students are received in three groups. Three per cent of a class is taken in at the end of second semester of the junior year. Five per cent more the first semester of the senior year and two per cent in the second semester of the senior year.

The four qualifications for membership are: scholarship, leadership, character, and service. The Honor Society of Scottdale Joint High School was started in February, 1944, and in 1953 they became affiliated with the National Honor Society.

Cake sales in the cafeteria, the sale of Christmas candles, Scottie pins, and stationery were some of the projects which kept the members busy this school year.

Issues are put out monthly during the school term through the combined efforts of reporters, editors and the advisor, Mr. Donald Bischoff. All financial matters and advertising concerning the paper were handled by the business staff. The publications were discussed with the advisor during the journalism classes 3 days a week in Room 11.

Aside from choice news, sports and editorials, the Scottie Revue featured the senior personality, the shadow, the sport spotlight, a crossword puzzle and special columns.

The Scottie Revue is printed by Helms and Fenton Printing Company and is published by the journalism class. Editor-in-Chief of the school paper was Nancy Rush, who was aided by Dianne Turk, assistant editor. Included on the staff were News Editor, Susan Uptegraff; Feature Editor, Nancy Farmer; Literary Editor, Eleanor Finger; Sports Editors, Lynn App and John Gearhart; Art Editor, Marilyn Felgar; and Exchange Editor, Ann Tischke. Circulation Manager was Ella Mae Eiford; Business Manager, Donna Schroyer; Advertising Managers, Dorothy Dzik and Patricia Street; with Glenn Bowman as photographer.

The knowledge gained from the work is meant to aid the members in the future if they should enter journalistic work.

The Scottie Revue Staff and Mr. Bischoff can certainly be commended for their fine work on each issue.

Annual Staff

Did you remember to bring your lunch? The "60" Scottie Staff could be seen hurrying to meet with Mr. Banasick in the mechanical drawing room during lunch periods. Perhaps food helped us to think better because we were able to decide on our cover design quickly. A good start was begun with a successful advertising campaign. Having secured the ads the staff buckled down to work. "What can we do that

With pictures to be taken, writeups to be completed, we sometimes thought those dreaded deadlines would never be met, but led on by the guidance of our sponsor, Mr. Banasick, we reached them. High School Chorus

WITH A SONG IN OUR HEARTS

The Scottdale Joint High School Choral Club had an active year, getting off to a good start by acting as host school to the Westmoreland County Chorus Festival in November.

Uniting the talents of the mixed chorus of nearly 70 voices with those of the art and instrumental departments, a program which had as its theme "The Nativity" was presented before the holidays under the direction of Mrs. Alice Martz to students and parents. Not only do they give a beautiful Christmas and commencement program, but the girls' groups augment each assembly program in the auditorium.

Choral Club members with their director attended County, District, and Regional Chorus. Those participating in County Chorus were Jean Myal, Nancy Rush, Nancy Farmer, Barbara Banks, Janet Hazen, Carol Myal, Bill McDowell, Rodney Sturtz, Patricia Myal, Jackie West, Lynn App, Don Riggin, Mike Chiaramonte, Barbara Banks and Rodney Sturtz went to both District and Regional Chorus, with Rodney also in National Chorus.

Climaxing the year's activities were the receiving of pins by the graduating members of the group.

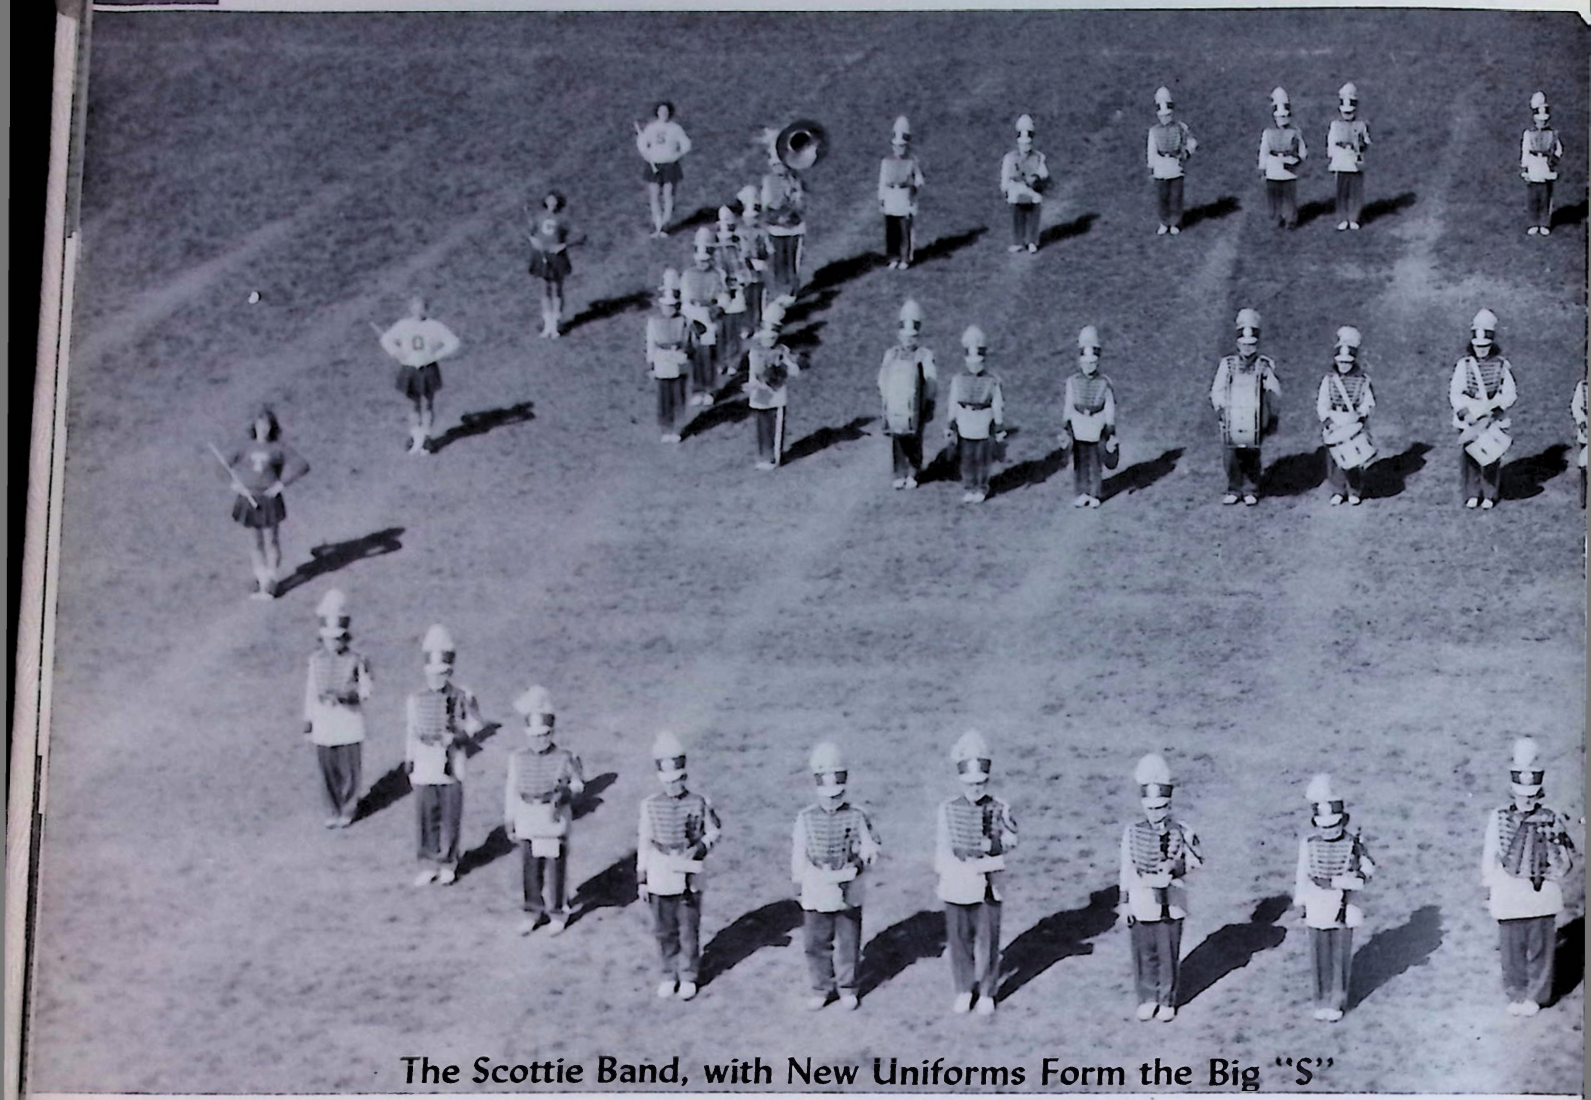
Scottdale Joint High



The Scottie Band, with New Uniforms Form the Big "S"

The Scottie Band, under the direction of Mr. George Hazen, is composed of fifty two marching members and eight high stepping majorettes. This includes both junior and senior high school students. The band has participated wholeheartedly in many school activities. As well as their fine halftime performances at every football game, during which they exhibit many fine formations and drills, they have participated in pep rallies and various assemblies. They have also marched in the parades of Scottdale and the surrounding towns.

The Scottie Band recieved new uniforms, with the help of the Band Parents Organization and the Booster Club. They make a neat well-dressed appearance while performing for the attentive fans.

Selected members represent our school annually at District and County Band. This year the following students went to County Band, which was held January 28 and 29 at Latrobe, Pennsylvania: Janet Hazen, Marsha Maust, Nancy Horvath, Dick Eicher, Sandy Hixson, Rose Muzina and Eva Jean Lopes. Janet Hazen was representative for our school at District Band.

Mr. Hazen has worked extra hard with the band this year and has done an excellent job of making our band bigger and better than ever before. We sincerely hope Mr. Hazen and the band will keep up the fine work they have been doing.

Beta Tri-Hi-Y is an organization made up entirely of senior girls and is affiliated with the Y.M.C.A. Under the sponsorship of Miss Shimshock, these girls carried on many worthwhile activities. One such activity was collecting money for the Muscular Dystrophy fund. Some of their money-making projects included the sponsoring of a "Leap Year" dance and a "slave day" raffle. The girls plan to buy necklaces with the Beta Tri Hi-Y emblem engraved on them.

These girls were always willing and ready to help any organization in the community that needed their assistance.

The main project of these girls, along with Beta this year, was making a house to house campaign for a very worthy cause, Muscular Dystrophy. To collect for this the girls were paired off and given assigned streets in Scottdale, Swedetown, Scott Acres and other places.

The girls meet every other Wednesday at the "Y."

"Scottie Cheerleaders"

This year's cheering squad consists of eight very capable girls. During football season, these 5 seniors and 3 juniors plan pep rallies, snake parades, and make posters for the halls, as well as cheering at the games. When basketball season rolls around, they change from skirts and sweaters to jumpers and faithfully cheer for the team. The squad proudly wore new sweaters and carried new megaphones during football season and wore practically new jumpers for basketball. During the summer they could be found practicing almost every morning and during pre-season they served lunch to the football players.

"Scottie Lassies"

The "Scottie Lassies" of the 1959 football season consisted of eight senior high school girls; three seniors, four juniors, and one sophomore. These girls, along with the Scottie band, perform at halftime during the football games. They, also, participate in pep rallies, snake parades, and various assemblies.

At every football game the majorettes do their traditional highland fling, a drill with the band and a twirling routine, which is made up by the head majorette. After much practice and hard work these routines are brought to perfection. It is always a great thrill when they do a new and better routine.

Mr. George Hazen, the sponsor of this group, helps the girls out when they have trouble fitting their routine to the music. Some of the routines are passed down from year to year, such as Mr. Touchdown, Scottdale Yea Team, and Scottdale Will Shine, but all the other routines are new each year.

The new majorettes are picked before school is out in June and start learning the twirls about two weeks later. The girls practice all summer so they will be able to give a good impression when the football season starts.

There are two different uniforms which the majorettes wear, one is for the football games and the other is for pep rallies. For the football games they wear the traditional "Scottie uniform," and for the pep rallies they wear their Scottie skirts, sweaters, and boots. Each girl has a different letter on her sweater and they spell out "Scotties."

Beside practicing in the summer, the girls march for the Scottdale firemen's band. This gives them an opportunity to practice some of the routines and to get the feel of being in front of crowds.

This is the one of the groups that our student body can always be proud of.

These energetic little misses just couldn't get enough practice. During the summer months and every day after school you could see them practicing their many cheers.

Many times they led the "LITTLE SCOTTIES" to victory in both football and basketball during the past season.

The Key Club

The "Keys," formerly known as the Dee Jay Club, is a fairly recent organization whose chief service is to play records for the school dances. These dances are held for the benefit of the clubs and organizations affiliated with the school.

Records are bought for the club with a small percentage of the gate receipts.

Membership includes eight Seniors. The beginning of the second semester, each Senior sponsors a Junior to assume his responsibilities the following year.

Under the sponsorship of Mr. Ronco, they also handle the matters concerned with the technical aspects of the production of stage performances.

The Girls' Athletic Association sponsored by Mrs. Barr has a membership of 52 girls. Contrary to last year, there are no freshmen in the club. They have meetings every other Tuesday in the gym at lunch time. Dues are 50 cents a year. At their meetings they have volleyball tournaments. Nancy Rush, Florence Ponko, Gerri Santore, and Sally Sandzimier are the captains of the four teams.

The officers are as follows: Donna Schroyer, Patricia Rozycki, Linda Konieczny, and Barbara Birrichocchi.

G.A.A. is planning on donating a part of the cost of new outfits for the Junior High Cheerleaders. The skirts and sweaters will not be purchased until next year. All senior girls who have been active for three years will receive pins.

This picture-taking gang is usually closely followed by Mr. Banasick. When they're together laughter and friendly chatter is the general rule. Glenn Bowman is the most outstanding member of the club and takes the really important pictures around S.J.H.S. The rest of us just look longingly on and try to pick up some of Glenn's good qualities and a few pointers. As the year goes on we honestly do improve and then we will be professional camera pests, too. The school provides film (which we use up quite quickly), chemicals to develop our own pictures and even cameras. Several of the club members know the techniques of developing shots and seem extremely good at it, too. Everyone owns his own camera and all have fun with the taking of candid shots.

Under the sponsorship and guidance of Mr. Stone, director; Joan Baughman, senior student director; and Peggy Young, junior student director, the members of the Senior Dramatics Club endeavored to present an interesting and enjoyable play on Friday, April 22, 1960, in the auditorium. The efforts of the thespians were concentrated on a three act comedy "Meet Me In St. Louis" by Christopher Sergel.

The cast included: NANCY FARMER as Rose, a loyal, loving girl with a bit of a temper, who is Queen of the family; CHARLES STANEK as John Shephard, a handsome, sincere and friendly fellow who has fallen for Rose — and her tricks; NANCY RUSH as Mrs. Smith, attractive with a firm but gentle manner toward her large family; FLOYD KELLER as Mr. Smith, the generous father and successful business man who seems to be caught in the middle of his children's escapades; NEAL DAVIS as Lon, oldest in the family, a good-looking athlete and very much annoyed by his sisters; DONNA SCHROYER as Esther, attractive, effervescent and always ready to begin a new plot; BETTY HUNKER as Agnus, independent, inclined to be a tomboy and very willing to follow any suggestions of her sisters; MARGI GENDEK as Tootie, a bright-eyed, mischief-making "duchess" who nibbles at candy and bites legs; DAVE RAMSEY as Grandpa, a spry old gent who is adored by his grandchildren and who never tires of telling "tales"; MARILYN FELGAR as Katie, good-humored cook and oh so Irish; SUSAN UPTEGRAFF as Mrs. Waughop, an irate neighbor who is on the wrong end of the girls' shenanigans; Kathy Hoffman as Ida, a sweet rather shy girl, very much in love with Lon; LYLE STONER as Mr. Dodge, a harassed-looking business man — Mr. Smith's boss who is offered "rat-chewed" candy and has a cat (Ladie Babbie) tossed at him; JOHN GEARHART as Mr. Duffy, Mr. Dodge's shadow, a meek "yes" man, who becomes a little wet; WILMA BLUHM as Lucille, a pretty but decidedly affected by it, is anything but shy in front of boys; GLENN BOWMAN as Fred Gregory, well mannered with interests in Esther.

Many hours of hard work put in by the members of the stage crew, cast and directors, and praise is handed their way for the excellent job they have done.

Aquarium Club

The Aquarium Society's idea is to promote the knowledge of things aquatic to its members. At each meeting a lecture is given to the club on fish, plants, or other needs of the aquarium hobby by one or two of its members. A library is being built by the club. The literature is a monthly issue called "The Aquarium." Small booklets on breeding, raising, and keeping certain fish are also kept for the library. The members have discussed balanced and unbalanced aquariums and used diagrams and pictures to illustrate the most important factors.

Table Tennis Club

The Table Tennis Club consists of twenty members. Mr. Seigal, the sponsor of this club, instructs members on how to play a better game of table tennis. During the course of the year they have matches between the better qualified members. The aim of this club is to produce better table tennis players. The auditorium entrance always provides a good place for them to play.

One of the highlights of the 1959-60 school term was the crowning of the sixteenth annual Gridiron Queen. This memorable event took place during the half time ceremonies at the Scottdale-Ramsay football game, October 9, 1959. To the strains of "Triumphal March" Wilma Bluhm was escorted down the field by co-captains, Dave Ramsey and Joe Kubic who presented her with the crown and robe.

Wilma was preceded by her four attendants: Kathy Hoffman, Kathy Sager, Carol Swink and Donna Schroyer. Little Dixie Lee Connors, a first grader at South Grade Elementary School, was the crown bearer. Mr. Stone was in charge of the crowning.

The Coronation Ball was held in honor of the Queen and her attendants at the high school cafeteria from ten to twelve. Queen Wilma and the lovely attendants were given special dances in which they danced with their escorts.

This was, indeed, a never-to-be-forgotten evening.

Joe Kubic

Veteran Miler

The outlook for the Scottdale track team appears to be bright. The squad will be led by Joe Kubic, the Veteran Miler, who has been considered one of the best milers in our school's history. The team also has tremendous depth in the field events with Denny Forsythe and Dom DeSantis. Lynn App and Neal Davis will be leading the way in the pole vault events and they will give some assistance to Rich Cameron in the high jump as they spring over the bar. The sprinters and relay men will bolster the squad even better. Mr. Marco, who will coach the track team, is hoping for some talent from last year's freshman team. Other lettermen who will be doing their best are Don Riggin, Vaughn Palmer, John Terry, Walt Moore, Art Wicker, Lyle Stoner, Bernie Blasco, and Lee Weimer.

The Scottie football team, under the leadership of Coach Joseph Gratson, had a successful season, winning six and losing four. The co-captains for the "59" campaign were Joe Kubic and Dave Ramsey. There were no returning Backs so Coach Gratson had to supply the backfield with new faces. The returning Linemen were Denny Forsythe, Joe Kubic, Dave Ramsey, Chas Tanek, and Chuck Wildey.

The gridders of Scottdale started the season with a 27—20 victory over visiting Rankin and poured on a one-sided 27—7 win against Penn Joint. In their first away encounter, the Scotties lost to powerful Hurst 20—7 and then fought Somerset, an old time rival, to a bruising defensive battle in which a fourth period score by the Scotties proved to be the 6—0 margin of victory. The men of Scottdale came right back to edge out arch-rival Ramsay 14—6 before being cooled down by Vandergrift 18—7. A game which was played in the "Mud Bowl," the Scottie gridders pulled an upset over visiting Rostraver 21—7 only to have Dunbar stop them in their tracks 34—0. The Scotties, squeezing out a 14—13 win over East Huntingdon, retained possession of the Kropff Trophy for the second year in sucession. In their last invasion, Bellmar handed the Scots their worst defeat of the season 50—7.

The members of the team which will graduate this year are: Lynn App, Richard "Spike" Cameron, Neal Davis, Dennis Forsythe, Gearld "Jet" Jacquillard, Joe Kubic, Dick Mahokey, Jim Mason, Dave Ramsey, Don Riggin, Chas Stanek, and Chuck Wildey.

Richard Cameron was named to the All-County Class A Football Team while Dom DeSantis, Denny Forsythe, Joe Kubic, and Dave Ramsey were given Honorable Mention.

Once again Coach Harry Mehallick and Assistant Coach Jerome Marco were faced with the task of rebuilding a winning team for the 1959-60 basketball season. Rich Cameron, a regular for his third season, was named captain for the campaign.

The Scotties got off to a slow start in exhibition play due to the lack of practice. This was because of the fire damage in the gym. Once the Section 10 games rolled around, the Scotties began to click, winning their first four games. Then the Scotties met up with the defending Champions, Rostraver. The Scottie cagers still had hopes for the top position until "Spike" Cameron had a case of tonsilitis and was not seen in action during the loss to Dunbar.

The other team members were Rodney Abel, Bill McDowell, Neal Davis, Tom Ostrowski, Denny Fite, Jack Bluhm, John Brilhart, Jim Newell, Don Laughrey, who all were credited as an aid to the squad.

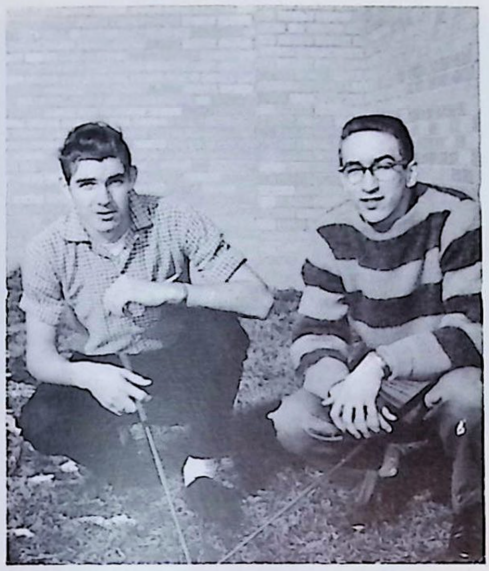
MARK'S AND SON

CONGRATULATIONS TO THE
CLASS OF "60"



In this picture are shown Larry Mardis and Denny Fite. These two are hold overs from the 1959 golf season. Larry and Denny, as well as many other boys in Scottdale High, are eagerly awaiting the 1960 golf season. But from all indications there are going to be a lot of disappointed boys in our school. Golf has been dropped from the list of sports of Scottdale High. We think this is a mistake because golf is one of the fastest growing sports today. As an example there is a greater number of golfers in Scottdale High now than last year.

Golf is one of the most inexpensive competitive sports a school can sponsor because all the boys that participate have their own equipment. Transportation and match balls are the biggest expense. Golf gives the boys competitive opportunities just as other sports do, and is the only sport that can be played until you are ready for the next world.

DAUGHTERS OF THE AMERICAN REVOLUTION
GOOD CITIZENSHIP AWARD

Each year a Good Citizenship Award is given to the outstanding senior girl of her local high school. The girl is nominated by her classmates on the qualities of dependability, service, leadership, and patriotism. From the three girls having the greatest number of nominations, the final selection is made by the faculty. The girl chosen later takes a test based on the Constitution of the United States. If her test score is highest in the state, a $100 bond is her award. Each girl receives a Good Citizenship pin for representing her school.

The Scottdale High School Good Citizenship award was awarded to Nancy Rush.

AWARD

Bertha Palkovic was named the 1960 Betty Crocker Homemaker of Tomorrow at Scottdale Joint High School. She received the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by graduating seniors in her school. She will receive an award pin, manufactured by Jostens and representing the slogan "Home Is Where The Heart Is." Her examination paper was entered in competition with other high school winners to name the state Betty Crocker Homemaker of Tomorrow.

The test was prepared and judged by Science Research Associates of Chicago.

Total enrollment in the six-year-old $110,000 General Mills sponsored scholarship program is 1,800,152 girls. This year a record number of 379,017 girls enrolled in 12,597 high schools throughout the 50 states and the District of Columbia. This is an increase of 29,868 girls and 337 schools over last year. Alaska and Hawaii are participating for the first time.

Each state Homemaker of Tomorrow received a $1,500 scholarship and an educational trip April 23-29 with her school advisor.
